NAME

Jamie Baker

OCCUPATION

Academic

NATIONALITY

Australian (emigrated from Turkey)

MARITAL STATUS

Married to Yonah Baker

QUOTE

"My wife's gotten a lot of the family into it, and I'm interested in having all of these bits of our family history recorded on it, but, really, I just haven't bothered using it myself."

DESCRIPTION

- . Uses a desktop computer running Windows; has a high degree of familiarity with computers.
- . Is interested in keeping track of family artefacts, but hasn't weighed in on any of what his wife has been doing to put their register together nor interacted with the register himself - is a tertiary user at this point.
- . Tasks: N/A
