NAME

Emil Baker

OCCUPATION

University Student

NATIONALITY

Australian

MARITAL STATUS

Unmarried

QUOTE

"Turns out my grandparents have been able to write up a lot of history here. It's sort of addicting reading over every tidbit and exploring all the links between each of them."

DESCRIPTION

- . Son of Yonah and Jamie Baker.
- . Uses an Android phone and a laptop running Linux Mint.
- . Casually browses his family's artifact/heirloom register on his phone every now and then while he's on his commute to university.
- . Tasks: Looking up items in the register by keywords/tag/description; looking up items in the register by related events.
